Myrius™
More is on.

L7 legrand®
• IDEAS THAT CLICK

Be it a couple of extra zeroes to
a pay cheque or one more holiday to the list.
Be it one more pair of shoes
to the collection or just requesting for
one more song at a party. It's natural
for humans to always expect something more.

At Legrand, we always stand true to our
philosophy of 'Listen, Design, Make and
Support'. It is this thinking that helps us
believe that the more one gets the better it is.
Which is why, Legrand's Myrius range of
wiring devices has a lot more to offer.

More Aesthetics

Flat, sleek and smooth, Myrius is the preferred choice to give every wall an artistic touch. It was conceived with curved edges that give it a distinct and appealing look. Moreover, its minimalistic design makes it look absolutely stunning and desirable. But what makes Myrius truly beautiful is a classic black and white shade that offers an aura of comfort and timelessness.

Black Beauty

A mystic black shade
with a grainy matte finish
truly complements
any decor.

Snowy White

Its gleaming white
shade and a perfect
glossy finish adds to
a soothing decor.

NEW RANGE OF PLATES

This gleaming, pristine,
white piece of beauty
with curved edges adds
a touch of class to any
decor that it's a part of.

This black beauty with
a matte finish has
curvy edges with
a flat sleek body.
The perfect finishing
touch to any decor.
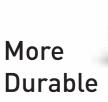

More Simple

Myrius was crafted with one thing in mind, to make your life much easier. That is why, we've incorporated the world's best technology and the finest engineering into it. Now just because it consists of complex technology doesn't mean that it is complicated to operate. We've carefully designed a simple user-interface on the outer side to make it convenient and easy to use.

Myrius™

More Durable

Myrius doesn't just look beautiful and attractive. We have taken proper care to ensure it is of the highest quality. It consists of the finest materials that have been thoroughly tested for durability and endurance. Moreover, the ISI marking on it guarantees a long-lasting performance.

More Value

Myrius's flawless designs and superior technology are well-suited for every home. It thus sets new standards of convenience and comfort, and that too in the most affordable way. With many more functions and attractive features, Myrius gives you more value for your money.

Myrius™

More Delight

Myrius is more than mere wiring devices. It brings along aesthetics in design, simplicity and durability in all its products. What's more? It also suits every pocket, making it the most preferred choice.

Myrius™

More delight

Remote control switch for light and fan

- Can control 4 lights & 1 fan
- 10 different speed options for fan
- Night lamp on product panel with manual operation option for all functions

TV/SAT/FM socket

- 3 in 1 socket for TV, SAT and FM
- 2 module unit with 3 inputs

VSP – Voltage Surge protectors

- Protects electrical devices like laptops, computers, printers and other office equipments from voltage surge
- Blends very well with the modular range of wiring devices
- Convenient to fit only where it is required, close to the primary sockets

Motor Starter

- For AC's / Geysers etc
- Complete protection against overload
- Aesthetically appealing Motor Starters

Dimmer

- Creates the perfect ambience
- For the first time dims CFLs too
- Dims halogen lamps

Fan regulator

- In-built safety capacitor that prevents from catching fire
- ISI marked fan regulator

Skirting light

- Fitted into the walls at skirting level
- Provides a dim lighting
- Creates a path light during night
- Uses LEDs that saves energy

Motion sensor

- Infrared detectors that detect human movements
- Programmed to automatically switch the device on and switch off when not in use, thus, saves energy

more delight

Myrius™

More acceptance,
always and everywhere.

Myrius range of wiring accessories is a classic
creation to increase the customer's comfort and
improve the work environment. This wide range of
innovative products offers solutions for residential,
commercial and hospitality projects, thus, making it
a range that caters to everyone's needs.

Myrius™

General
features

All indicators are fitted
with LED Power Savers
that are cost effective
and save energy.

Child Safe Sockets.
Sockets are shuttered for
child's safety against
electric shocks.

Light, Fan, Bell etc
are marked on the switches
for easy identification.

All products with ISI mark.
Lasts for more than
1 lac operations.

Magic of Modularity.
Myrius is a modular range,
that offers ease of installation.

Anti-bacterial

More Wellness

Myrius anti-bacterial products offer anti-bacterial protection. The composition of the product contains Ag+ ions which eliminates the proliferation of bacteria on contact with the surface of the product. It has a smooth and straight product design that facilitates in reducing the dust accumulation. It is self disinfecting throughout its lifespan.

Guarantee

- The Company at its discretion, will replace products if they have any manufacturing defect within 10 years for switches (without neon lamp) and power sockets. For all other **Myrius™** wiring accessories the guarantee will be 2 years.

- The above guarantee is applicable when the devices are used in Legrand metal flush boxes. Other wise the guarantee period will be reduced by 50%.

- The guarantee is only applicable when the products are installed as per the Company's instructions and not tampered in any manner.

- The guarantee states the Company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from defective products.

Bold catalogue numbers are products normally available with Legrand (India) stockists. **Cat.Nos that are not bold** - delivery within 4 - 8 weeks from the date of order.
Bold packing quantity is our mandatory packing. Orders to be placed by Legrand (India) stockists in multiples of the same.
